Creation of judicial services at national level

†1394. SHRI RAM JETHMALANI:
DR. MURLI MANOHAR JOSHI:

Will the Minister of LAW AND JUSTICE be pleased to state:

(a) whether it is a fact that creation of National Level Judicial Services on the pattern of All India Civil Services in the country is being contemplated by Government;

(b) if so, the facts thereof;

(c) the details of the proposal under consideration at present; and

(d) the advantage likely to accrue from implementation of the proposal?

THE MINISTER OF STATE IN THE MINISTRY OF LAW AND JUSTICE (SHRI K. VENKATAPATHY): (a) to (d) As per the recommendations of the Law Commission of India, the directions of the Supreme Court of India in All India Judges Association case (Writ Petition No. 1022/89) and the guidelines recommended by the First National Judicial Pay Commission, creation of All India Judicial Service has been under examination of the Government. Since the creation of an All India Judicial Service would require cooperation of the State Governments and High courts, views and comments of the State Governments and High Courts have been sought.

Further, creation of All India Judicial service will require a Resolution in the Rajya Sabha to be passed by not less than two thirds of the members present and voting, followed by an appropriate enactment by Parliament under article 312 of the Constitution of India. The National Commission to Review the working of the Constitution has not recommended the creation of All India Judicial Service. No decision has yet been taken for creation of Judicial Services at National level by the Government.
